

Holland and Bueter Pull WAMmies at Patrick E. Stevens Meet

(Portsmouth, NH) || Nov. 5, 2011

WAMmies Gail Holland and Chelsea Bueter showed the full power of the goat last weekend when they competed in the 4th Annual Patrick E. Stevens Meet. Both swimmers made waves in winning all of their events.

Holland swam her way to good performances in the 100m Back, 100m Breast, 100m Fly, 100m IM and 200m Fly events. She came very close to surpassing her seed time in clocking 1:33.96 for her 100m Fly.

Bueter was competing in her first meet in almost five years. She finished her 100m Fly in fine style to comments on the beauty of her stroke.

While both did not attain personal bests in their events, they displayed great pleasure in being well on their way to achieving stellar times at the NEM SCM Championships at BU (Boston, MA).
